To get here from the highway take the exit marked La Spezia and Santo Stefano. After the toll booth continue on towards La Spezia taking the first exit for Vezzano Ligure. Turn right at the end of the ramp and continue for about 1 km to a roundabout with a sign for La Spezia, turn right (photo 1).

You are now in Prati di Vezzano on Via Termo. (photo 2) Continue on this road for about 400 mt to a roundabout on your left and take the road on the left (photo 3), Via Molinello (photo 4). Stay on this road passing on the right side of the church (photo 5).

Continue straight onto Via Arabuona, a dead end street (photo 6). Follow along this road for a couple of minutes and turn right onto the little bridge (photo 7), and then left after just 15 meters. Our gate, n. 7, is just ahead.
